15. The Parker County Youth Livestock Show reserves the right to use any animal remaining on the grounds for the livestock judging contest.

COMPETITION

Exceptions to this rule must be appealed to and determined by the Executive Committee.
2. **OWNERSHIP OF ANIMALS**
 - a. Exhibits shown in the PCLIA livestock show must be bonafide property of the exhibitor or family unit, under the exhibitor's, or family unit's, continuous care. Exhibits shall be shown by that exhibitor (or a member of the family unit), except where two exhibits are in the same class. All entries must have been fed and cared for by the exhibitor or family unit in an area served by Parker County and Azle schools. Requests for waiver to this rule must be presented to the executive committee for their approval prior to tag-in or purchase of the project. Violation of this rule shall cause dismissal from the show. All livestock shall be owned by the exhibitor or family unit sixty days prior to the show or owned by the tag-in date set by each division for that year.
 - b. Each exhibitor will have the opportunity to tag in two (2) animals per division at the applicable entry fee. A family unit may tag

in two (2) additional entries per division at the applicable entry fee. The designation of the exhibitor for the animal or animals will be made at weigh in or weight card turn in. Each exhibitor would be only allowed two (2) animals per division to enter the show grounds.

Examples:

1. Single family exhibitor would be allowed to tag in 4 market (lambs, goats, hogs, steers and dairy heifers) to only show two (2) at show date.
2. Exhibitors of a family unit would be allowed only two (2) extra market (lambs, goats, pigs, steers and dairy heifers) per unit. (Family of two (2) would be allowed six (6) market (lambs, goats, hogs, steers, and dairy heifers) to only show two (2) per child at show date.
3. Each rabbit exhibitor will be allowed to tag in 12 market rabbits to show only 2 entries per exhibitor.

This rule will not apply to the Poultry show numbers because they already tag in more than exhibited amount.

- c. Any animal fed or cared for by a custom fitter, at any time during the required ownership and fitting period, will be disqualified from showing, except in the case of an exhibitor who is a member of the immediate family of a custom fitter.
