SPECIAL RULES

1. Each division of steer will be divided into at least two weight classes, of as equal a number as possible. Total entries of each class not to exceed 15, 31 will constitute 3 classes, etc. If needed, common weight steers will be broken alphabetical, to fill class.
2. All steers shall be weighed on the second (2nd) Saturday of the new year, between 9:00 a.m. and 12:00 p.m. There will be no late weigh-ins. Steers must be weaned and not be returned to nurse cow during feeding period. Steers must be weighed in as exhibitors name or family unit. There is no minimum weight.
3. Minimum weight of steers at show weigh-in must be 1000 pounds. Steers under 1000 pounds will be sifted and removed from the show grounds. The maximum weight on steers will be 1300 pounds at weigh-in. Any steer over 1300 pounds will be eligible to show in the steer show. The actual weight of the steers will be used for class breaks and weight per day of gain.
4. Each exhibitor will be limited to the showing of two and sale of one steer. Only 50% will sell at auction, but fractions will round-up. One move up per class will be allowed.
5. Calves will be tied so the distance from the tie rail to nose of animal will not be more than 16 inches. No feed or water containers shall be in stalls from 6:00 p.m. to 10:00 p.m. except with consent of the Division Superintendent.
6. All animals shown as breeding beef shall be purebred, registered, f-1 cross or recorded crossbred.
7. Arrival and release time: All beef animals must be in place by 7:00 p.m. Monday evening. All animals to be taken home will be released by the Division Superintendent prior to 8:00 a. m. Saturday morning. All beef heifers will be released immediately after the show.
8. All steers will be slick sheared to 1/4 inch at time of weigh-in at show.
9. Only the exhibitor or their immediate family members, agriculture science teachers and county agents are allowed to perform fitting on beef steers.
10. Breeding Heifers can be shown with adhesives and oil. Fitting on beef heifers can be done by agriculture science teachers, county extension agents, immediate family members, or project leaders approved by supervising County Extension Agent.

11. The aisles and passageways must be kept clear. No fans or show boxes will be allowed in the aisles.
12. All market steers will be nose printed during tag in on the tag in date established by the association's rules book. Nose print cards must be signed and dated at this time by the beef division superintendent or their assistant and one of the following: the exhibitor's parent, legal guardian, AST/County Agent. All nose print cards will be secured and stored by the association's executive committee for future verifications if required. The overall Grand and Reserve Grand Champion Steers will be nose printed following completion of champion drive. Nose print cards must be signed and dated at this time by the beef division superintendent or their assistant and one of the following: the exhibitor's parent, legal guardian, AST/County Agent.
13. If necessary, the Grand and Reserve Grand Champion Steers' nose print cards will be analyzed to verify that the original nose prints taken match the final nose prints taken. If this verification is performed and it is determined that the nose prints do not match, the steer will be disqualified from the show and sale. The exhibitor, parent, legal guardian, AST/County Agent will be subjected to disciplinary action by the association's Executive Committee. Penalty will be as outlined in the association's rules book for rules violations or as determined by the association's Executive Committee.
14. The beef superintendent will secure the services of a qualified person to perform nose print verification. The results of the verification inspections will be final.
