

Agriculture Mechanics Division

Brent Wicker, Superintendent (817) 597-5941
Kyle Holton - Assistant Superintendent
Wesley Jennings, Cody Lane, James Wicker, KC Kemp
On-Line Entries due by April 19, 2018

Rules and Information:

General Rules and Regulations Apply

Eligible Entries: Entries are limited to Eligible Parker County 4-H and FFA members. Projects can not be entered in the PCLIA Stock Show more than once. Show exhibitors will be divided into two (2) groups. The "Senior Division" will consist of exhibitors that are classified as 9th through 12th Grade at the time of entry. The "Junior Division" will consist of exhibitors that are classified as 8th Grade and below at the time of entry. If any members of a Group Entry are in 9th through 12th Grade at the time of entry, the project will compete in the Senior Division.

Projects must be built by 4H or FFA students individually or as a group.

Group entries must be entered in the name of the chapter/club and include the names of the exhibitors who participated in planning and construction of the project.

Each group/individual may enter no more than one project per class. No group/individual may enter more than four (4) projects total.

Projects must be in place by noon on Wednesday. Judging will commence at 4:00pm on Wednesday.

All projects must be complete on show day and every attempt will be made to maintain safety for all during the show.

OFFLOADING ASSISTANCE IS NOT GUARANTEED.

PCLIA/PCSP will not be responsible for loss or damage to projects.

Documentation: Exhibitors will provide an original plan/drawing, bill of materials, photographs showing all phases of construction, and copies of applicable DOT/ASABE regulations.

Judge will determine each Class Placing, Division Placing, and select Grand Champion and Reserve Grand Champion Projects. Then, the judge will rank a "Sale Order" that consists of the top four (4) overall ranked projects in the Senior Division and the top two (2) overall ranked projects in the Junior Division for a total of six (6) projects that will participate in the Premium Auction on Saturday. Exhibitors of qualifying projects MUST be present, with projects, on sale day. Projects will be bid on for Premium Money ONLY. Ownership of projects will NOT transfer through the auction. Only one (1) project is eligible for premium auction per group/exhibitor.

Judge will select "overall Showmanship Champion" for the Club/Chapter & Champion individual Showmanship.

AWARDS: Ribbons will be given, at the judge's discretion for each project, as follows: Blue, Red and White. Projects receiving a red or white ribbon will not be eligible for the Premium Auction.

Manufacturing Division

Basic project topic and overview will be announced prior to entry, to allow contestants time to decide if the project is relevant to their skill set and interest. Contestants are responsible for the purchase and acquisition of materials and supplies, as well as the construction of the project. Only materials listed

as “APPROVED” by the Agricultural Mechanics Committee may be used. This will be 1 division with no distinction made between Junior and Senior level exhibitors.

Eligible Entries: Entries are limited to eligible Parker County 4-H and FFA members.

Projects must be built by the 4-H or FFA student INDIVIDUALLY.

Contestants entered in the “Manufacturing” Division are not eligible for any other Agricultural Mechanics division that year. Contestants may have only one “Manufacturing” entry per year.

Projects must be in place by noon on Wednesday. Judging will commence at 4:00PM on Wednesday in conjunction with the Ag Mechanics Show.

All projects must be complete on show day.

Documentation: Exhibitors will provide the original plan/drawing, a bill of materials, receipts/bill of sale, and photographs showing all phases of construction.

Each contestant will be presented with plans/blueprints, bill of materials, and construction notes by the Agricultural Mechanics committee after the time of entry. Construction practices and material lists MUST be followed or the project may be disqualified. Materials purchase and/or construction may not begin until after the project plans have been distributed.

Judge will determine the Division placing's. Only the Division winner will be eligible for the Premium Auction on Saturday. This will be a SALE ITEM, not a Premium item. Ownership of the project WILL BE TRANSFERRED through the auction.

Exhibitor of qualifying project MUST be present, with project, on sale day.

AWARDS: No showmanship awards will be presented for this division.
